

Intro: Trey Day

Trey Songz

Trey Day [x9]

Yea Bun B baby UGK baby hold up

See you done had yo moment

You done had yo turn

Now move around clown fo this sound dat got the streets on burn

The realest playa out the V.A. since the authas and lord willin givin R&B music a newly restored feelin

While haters is bored chillin he focused and mashn

He bringin big faces and dem checks he be cashin

He got (wat) some places to go and some people to see

But he gon (wat) rep up fo Virginia baby keepin it G in the streets and T.V.

Don't matta he gon keep it 100 cus can't nobody do like yung Trey don done it

So don't tell me dat it's dos or clam dat it's uno

Why hate em, why not congratulate him (congratulate him) cus nigga you know dis is Trey Day [x12]
