

28,000 Friends

Eoghan Quigg

Do you wanna go and see a movie?

[oh oh oh]

Do you wanna take a walk outside?

[oh oh oh]

Does your snow white skin ever see the sunshine?

[no no no]

Do you ever think that its a waste of time? You and your 28,000 friends

[Im talking about]

Youtube, Facebook, Myspace, IM

[Get out of the house]

Can't you try to find some room for me in your life?

You and your 28,000 friends Weve got no chance if you are always

[oh oh oh]

Preoccupied with your second life

[oh oh oh]

don't send an email, let me touch your face

[oh oh oh]

Go see a shrink about it, its not right You and your 28,000 friends

[Im talking about]

Youtube, Facebook, Myspace, IM

[Get out of the house]

Can't you try to find some room for me in your life?

You and your 28,000 friends How does it feel to be alone?

So many friends that you dont know Does your snow white skin ever see the sunshine? You and your 28,000 friends

[Im talking about]

Youtube, Facebook, Myspace, IM

[Get out of the house]

Can't you try to find some room for me in your life?

You and your 28,000 friends

[i'm talking about]

Youtube, Facebook, Myspace, IM

[Get out of the house]

Can't you try to find some room for me in your life?

You and your 28,000

Such a bore with 28,000

You and your 28,000 friends
