I Want to Know What Love Is

Sarah Geronimo

Gotta take a little time
A little time to think things over
Better read between the lines
In case I need it when I'm older, ooh yeah...

This mountain I must climb
Is like the world upon my shoulders
Through the clouds I see love shine
It keeps me warm as life grow colder

REFRAIN:
In my life, there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've travelled so far
To change this lonely life

CHORUS:
I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me, yeah...

Gonna take a little time
A little time to look around me
Got nowhere left to hide
Looks like love has finally found me

REFRAIN:
In my life, there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've travelled so far
To change this lonely life

CHORUS:
I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me, yeah...

BRIDGE:

Lord help me to be strong
On trhis road I travel on
When I'm lost and lonely find me
My journey's just begun
And I'm not the only one
Cause I wanna know
I wanna know
I wanna know...

CHORUS:
I wanna know what love is
(Yes I've found out)
I want you to show me
(Show me baby....)
I wanna feel what love is
I know you can show me
(Yeah...)

I wanna know what love is
(I wanna know what love is)
I want you to show me
(Show me baby...)
I wanna feel what love is
(Give me your love, you somebody)
I know you can show me

I wanna know what love is
(I wanna know...)
I want you to show me...
