

It's Your Love

Tim Mcgraw

Yeah, yeahDancin' in the dark, middle of the night
Takin' your heart and holdin' it tight
Emotional touch, touchin' my skin
And asking you to do
What you've been doin' all over againOh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go?It's your love
It just does something to me
It sends a shock right through me
I can't get enoughAnd if you wonder
About the spell I'm under
Oh, it's your loveBetter than I was, more than I am
And all of this happened by taking your hand
And who I am now is who I wanted to be
And now that we're together
I'm stronger than ever, I'm happy and freeOh, it's a beautiful thing
Don't think I can keep it all in
If you asked me why I've changed
All I gotta do is say your sweet nameIt's your love
It just does something to me
It sends a shock right through me
I can't get enoughAnd if you wonder
About the spell I'm under
Oh, it's your loveOh, oh, oh, babyOh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go?It's your love
It just does something to me
It sends a shock right through me
I can't get enoughAnd if you wonder
About the spell I'm under
Oh, it's your loveIt's your love
It's your love
