Where You Want Me

Young Buck

Oh, oh, oh, oh, oh, oh, oh, oh, baby
Oh, oh, oh, oh, oh, oh, oh, oh, babyGotta make a little room for me to breathe
Gotta feelin' that you're about to pull me in too deep
The more I try to walk away
The harder it gets to believe that I don't need you, oh noYou've got a hold on me
(There's no escapin' baby)
Got to find a releaseWhy do I feel so weak
When you are near me?
You've got me in too deep
So help me baby
You're livin' in my dreams
You're always with meYou're the dark in my light
You're the black in my white
And I'll always know
You got me where you want me
(Oh, oh, oh, oh, oh, oh, oh, oh, baby)
You got me where you want me
(Oh, oh, oh, oh, oh, oh, oh, oh, baby)If you got me tempted
By what's forbidden, oh yeah
How can you be so sweet
But oh so unforgivin'?And I'm emotionally drained
I'm 'bout to go into the sea
But I don't want it, any other way, ohYou've got a hold on me
(There's no escapin' baby)
Oh, got to find a release, ohWhy do I feel so weak
When you are near me?
You've got me in too deep
(Got me in too deep)
So help me baby
You're livin' in my dreams
You're always with meYou're the dark in my light
You're the black in my white
And I'll always know
You got me where you want me
(Got me where you want me)You pull me close, I can't let go
My hands are tied, you're all that I know
You pull me close, I can't let go
My hands are tied, you're all that I know
(You're all that I know)Why do I feel so weak

When you are near me?
You've got me in too deep
(Yes, you got, you got)
So help me baby
You're livin' in my dreams
(You're livin' in my dreams)
You're always with meYou're the dark in my light
You're the black in my white
And I'll always know
You got me where you want meWhy do I feel so weak
(Why do I feel so weak)
When you are near me?
You've got me in too deep
(You've got me in too deep)So help me baby
You're livin' in my dreams
(Oh, yeah, yeah, yeah, yeah)
You're always with meYou're the dark in my light
You're the black in my white
And I'll always know
You got me where you want meWhy do I feel so weak
When you are near me?
You've got me in too deep
So help me baby
