

Have I Ever Told You

FFH

Have I ever told you that I'm sorry it didn't work out?
Have I ever told you that I'm, I'm sorry that I walked out?
Have I ever told you that I'm sorry that I didn't think about?
How it was gonna make you feel
Have I ever told you that I'm sorry I wasn't honest?
We don't know how these lies are gonna come back to haunt us
Have I ever told you that I'm sorry that I broke my promise
That I made to you? But I believed it was right for me
Or at least it seemed so at the time
But reality got the best of me
And I guess I lost my mind, my mind
Have I ever told you that I'm sorry that I forgot?
Just how hard I said I'd try I thought I did but I guess not
Have I ever told you that I
I've been thinkin' about this quite an awful lot?
And I believed it was right for me
Or at least it seemed so at the time
But reality got the best of me
And I guess I lost my mind, my mind
Have I ever told you that I, I love the way you've turned out?
Have I ever told you that I've, I've been watching and I'm so proud?
Have I ever told you that I, I'm still trying to figure out
What's inside of me? But I believe there is hope for me
And it's gonna take some time
Well there's a God who sees what's inside of me
And I know he can change my mind
Well I believe there is hope for me
And it's gonna take some time
There's a God who sees what's inside of me
And I know he can change my mind, my mind
