

America a O

Aaron Carter

U S A
Bang your heads to this, come on
U S A
Bang your heads to this I was born, I was raised
In the U S of A
I'm livin' in America
A O, a O, a O, a O
And no matter what they say
I'll be livin' here anyway
I'm lovin' you America
A O, a O, a O, a O
Come on Does that sound a little serious to you
Has Aaron Carter turned red, white and blue
I've been rollin' like this since day one
But I never bring it on in your face I have fun There's a time to get down and a time to clown around
Right about now time fix the frown
Face to face and body to body
We're gonna pull through come on everybody Troubled times bring about troubled rhymes
I chill you out, baby lemme clear your mind
From New York to Cali everywhere in between
Nobody gonna stop our dream I was born, I was raised
In the U S of A
I'm livin' in America
A O, a O, a O, a O
And no matter what they say
I'll be livin' here anyway
I'm lovin' you America
A O, a O, a O, a O
Come on It's where I'm from and where I'm at
I'm feeling proud and I got it like that
It ain't a disk so don't take it like that
The grass ain't greener, uh uh, forget that From the valleys to the hills, to the snow
All the friends and fam, I know you know
Everybody come together, make it half
Black, white, Spanish, Chinese show me what you got uh Troubled times bring about troubled rhymes
I chill you out, baby lemme clear your mind
From New York to Cali everywhere in between
Nobody gonna stop our dream I was born, I was raised
In the U S of A

I'm livin' in America
A O, a O, a O, a O
And no matter what they say
I'll be livin' here anyway
I'm lovin' you America
A O, a O, a O, a O Come on, U S A, bang your heads to this
Come on, U S A, bang your heads to this
Come on, U S A, bang your heads to this
Come on, U S A, bang your heads to this I was born, I was raised
In the U S of A
I'm livin' in America
A O, a O, a O, a O
And no matter what they say
I'll be livin' here anyway
I'm lovin' you America
A O, a O, a O, a O I was born, I was raised
In the U S of A
I'm livin' in America
A O, a O, a O, a O
And no matter what they say
I'll be livin' here anyway
I'm lovin' you America
A O, a O, a O, a O Bang your heads to this, come on
I was born, I was raised
In the U S of A
I'm livin' in America
A O, a O, a O, a O
And no matter what they say
I'll be livin' here anyway
I'm lovin' you America
A O, a O, a O, a O
