So Long

Kingswood

I was walking around
In the city sounds
I was thinking of youAt the breaking of day
Now I've come a long way
There's nothing left we can useShe always catches my eyes
Under summer night skies
Doesn't use many wordsThey all got something to say
Try to get in your way
So you forget what you heardOh-oh-oh
Oh-oh-oh-ohh-ohhStart making amends
Now your telling your friends
She's only seventeenIn the heart of the cold
You don't feel so old
When she's in betweenYou were the knot
Who cares if it's right or if it's wrong?
'Cause at the end of the day
You'll be coming away, you'll be working so long
So long
So long
So longOoo-oo
So long
Ooo-ooOoo-oo
So LongOh-oh-oh-oh-ohh-ohh-ohh-ohhOoo-oo-oo
So longOh-oh-oh-oh-ohh-ohh-ohh-ohhOoo-oo-oo
So longSo long (so long)
So long (so long)
So long (so long)
