Brotha (remix)

Angie Stone

He is my King, he is my one
Yes, he's my father, yes he's my son
I can talk to him, 'cuz he understands
Everything I go through and everything I am
He is my support system, I can't live without him
The best thing since sliced bread
Is his kiss, his hugs, his lips, his touch
And I just want the whole world to know, about my
Black brotha, I love ya and I'll never try to hurt ya
I want ya to know that, I'm here for you forever true
'Cuz you're my black brotha, strong brotha, there is no one above ya
I want ya to know that, I'm here for you forever true, you're my
He's misunderstood, some say that he's up to no good
Around the neighborhood
But for your information, a lot of my brothers got education
Now check it
You got ya wall street brotha, a blue collar brotha
You're down for whatever chillin' on the corner brotha
A talented brotha, and to everyone of ya'll behind bars
You know that Angie loves ya and my
Black brotha, I love ya, I'll never try to hurt ya
I want ya to know that, I'm here for you, forever true
'Cuz you're my black brotha, strong brotha, there is no one above ya
I want ya to know that, I'm here for you, forever true, you're my
Black brotha, I love ya, I'll never try to hurt ya
I want ya to know that, I'm here for you, forever true
'Cuz you're my black brotha, strong brotha, there is no one above ya
I want ya to know that, I'm here for you, forever true, you're my
You mean so much to me, you give me what I need
I'm so proud of you
I love you for stayin' strong, you got it goin' on
I'm so proud of you
Going through thick and thin, brothas you gonna win
I'm so proud of you
Whenever you're facin' doubt, brothas gon' work it out
I'm so proud of you
'Cuz you're my black brotha, I love ya, I'll never try to hurt ya
I want ya to know that, I'm here for you, forever true
'Cuz you're my black brotha, strong brotha, there is no one above ya

I want ya to know that, I'm here for you, forever true, you're my
Black brotha, I love ya, I'll never try to hurt ya
I want ya to know that, I'm here for you, forever true, 'cuz you're my
Everyone of ya'll, you know that Angie loves ya
For everyone of ya'll, you know that Angie loves ya
