Sick And Tired

Boz Scaggs

There were times when we used to go out
Now all we do is scream and shout
Used to buy me things and give me compliments
Now everything's an argumentTell me, when it ever went wrong?
'Cause I don't wanna be another couple that you hear in a sad song
Why can't we communicate
Before it's much too late?And I'm sick of playing games, I'm sick of waiting by
Other times we're cool and other times we're not
I'm sick of crying all these nights
I'm sick of being sick and tiredAnd I'm sick of all these rules, I'm sick of all these lies
Half the time we're cool, the other times we're not
I'm sick of waiting all my life
I'm sick of being sick and tiredRemember when we used to have fun
I know you can't even remember the last time
I know you're seein' someone
'Cause you've been walking around like everything is just fineWhat the hell have I done?
For you to have me feeling like I'm losin' my mind
I don't wanna be with no one
But you always front on being niceAnd I'm sick of playing games, I'm sick of waiting by
Other times we're cool and other times we're not
I'm sick of crying all these nights
I'm sick of being sick and tiredAnd I'm sick of all these rules, I'm sick of all these lies
Half the time we're cool, the other times we're not
I'm sick of waiting all my life
I'm sick of being sick and tiredI never did ask for nothing
But I can tell you're going through something
Now why would you risk me leavin' our home?I hope you put your thought into this
'Cause when I'm gone I know that you'll miss
All of my love 'cause baby, when it's gone I'm gone
Gone, gone, gone, gone, gone, I'm gone, gone, gone, I'm goneI said I'm sick and tired of all the lies
Can't do it no more, said, I can't do it no more
I'm so, so, so tired
Ladies, ladies, ladies help me singAnd I'm sick of playing games, I'm sick of waiting by
Other times we're cool and other times we're not
I'm sick of crying all these nights
I'm sick of being sick and tiredAnd I'm sick of all these rules, I'm sick of all these lies
Half the time we're cool, the other times we're not
I'm sick of waiting all my life
I'm sick of being sick and tiredAnd I'm sick of playing games, I'm sick of waiting by

Other times we're cool and half the times we're not
I'm sick of crying all these nights
I'm sick of being sick and tired
