Mona Bone Jakon

HATER

I got a Mona Bone Jakon
It won't be lonely for long
I got a Mona Bone Jakon
It won't be lonely for long
I got my reasons
To me they're all true
I wouldn't change them
Not even for you
I got some ghosts in my closet
They've never done me no wrong
I got some ghosts in my closet
They've never done me any harm
Reasons for being
I have no clue
They wouldn't change them
Not even for you
I got some songs in my heart
They've all gone away
I got no songs in my heart
And all the sunsets have pain
Reasons for going
Must be true
They wouldn't change them
Not even for you
