Splash

Teebs & Jackhigh

Welcome to nextasy baby, oh yes
I've gotta know can I splash, splash, splash
Baby, I wanna jump and dive and splash in your love yes
Can I splash in your love baby?
I used to be afraid of water till I got a life jacket
And now I always seem to find myself
Laughin' and splashin', oh yeah
There's no waters that fall quite like yours
How I love to swim your sticky shores, splash
Can I splash?
Can I take a dip, can I take a dip inside your love?
I just wanna swim, baby let me swim let me come
I just wanna splash in your lake of love
It's alright, it's alright, alright
Can I take a dip, can I take a dip inside your love?
I just wanna swim, baby let me swim let me come
I just wanna splash in your lake of love
It's alright, it's alright, can I splash?
As I used to play across your choclate beaches
I would always vision your love canal
Dreamin' I could reach it, oh yeah, yeah
And as I wait in your waters of passionate cream
I realize it's not a dream, I can finally splash I don't have to ask, no
Can I take a dip, can I take a dip inside your love?
I just wanna swim, baby let me swim let me come
I just wanna splash in your lake of love
It's alright, it's alright, yeah it's alright
Can I take a dip, can I take a dip inside your love?
I just wanna swim, baby let me swim let me come
I just wanna splash in your lake of love
Let me die inside your love
Can I splash inside just once?
Let me go, I'll make you come
Oh, let me swim
