

# Help! (Welcome to the Freakshow Version)

## DC Talk

Help, I need somebody  
Help, not just anybody  
Help, You know I need someone  
Help When I was younger, so much younger than today  
I never thought I needed any help in any way  
Now that these days are gone, I'm not so self-assured  
And now I find I changed my mind, opened up the door, so Help me if You can, I'm feelin' down  
And I do appreciate You bein' 'round, You know I do  
Help me get my feet back on the ground  
Won't You please, please help me, help me, help me?
