

# Deep Inside

## Glengarry Boys

I like the way you walk  
I like the way you talk  
I like the clothes you wear  
Oh and the colour of your hair  
I like everything you do to me  
I like the way you walk away from me  
I wanna hold your hand  
I wanna write our names in the sand

every time i look into your eyes I feel the love thats deep inside  
And I wanna be the only one  
yeah the only one you let inside  
you let inside

I wann be the only one next to you  
the only one by your side  
I wanna be the only one yeah the only one you let inside

every time i look into your eyes I feel the love thats deep inside  
And I wanna be the only one  
yeah the only one you let inside  
you let inside

I like the way you walk  
I like the way you talk  
I like the clothes you wear  
Oh and the colour of your hair

I like everything you do to me  
I like the way you walk away from me  
I wanna hold your hand  
I wanna write our names in the sand

every time i look into your eyes I feel the love thats deep inside  
And I wanna be the only one  
yeah the only one you let inside  
you let inside
