Sorrow

Matrimony

Oooh, shot me down
Oooh, shot me downI've been in your the corner or the longest time
Gave you everything I could to keep you around
But I don't wanna see you
Anymore...I don't know what's going on inside your head
I remember everything about what you said
But I don't wanna hear you
Anymore...
I wish you had the sorrow to take it all away
I wish you had the sorrow to take it all away
I wish you had the sorrow to take it all away
I wish you had the sorrow to take it all away
I gotta be free like a plane
Got nothing left to say
I gotta be free like a plane
Got nothing left to say
The heart is part about it as the twist of your knife
Look me in my eyes and tell me that it feels right
But I don't wanna see you
Anymore...
