

Lost

Chris Young

I'm out on the highway, just about a mile away
Meet me out in the driveway
I'm gonna be there soon
I'll swing by and pick you up
Don't bother getting fixed up
Me and you and this old truck we'll find something to do
No I ain't got no plan in mind
It's such a perfect night so I just thought
We could go get lost

Lost down some old back road
Lost in a song on the radio
Lost in your deep blue eyes
I don't care if we spend all night
Lost by the river cross the turnpike
Somewhere near nowhere is my favorite thing to do
What you say girl me and you
Go get a little lost

Come on baby let's go
When we get there we'll know
No bars on the cellphone
Sounds good to me
We can find us a place to park
By the water underneath the stars
And do a little fishin' in the dark
If you know what I mean
Well all we need's a tank of gas
So grab that GPS and turn it off
Let's go get lost

Lost down some old back road
Lost in a song on the radio
Lost in your deep blue eyes
I don't care if we spend all night
Lost by the river cross the turnpike
Somewhere near nowhere is my favorite thing to do
What you say girl me and you

Go get a little lost

No I ain't got no plan in mind
It's such a perfect night
So I just thought we could get

Lost down some old back road
Lost in a song on the radio
Lost in your deep blue eyes
I don't care if we spend all night
Lost by the river cross the turnpike
Somewhere near nowhere is my favorite thing to do
What you say girl me and you
Go get a little lost
