Got Nothing

[Blackbreaks](#)

I got nothing but all that I need
With oceans flowing, oceans flowing
No, I got nothing but all that I need
With music playing, people singing loudI got nothing, oh
I got nothing, oh
I got nothing, yeah
Got nothingI cannot control my feet when I feel the beat
Dancing all by myself
Cannot control the beat when you make me weak
Make me say, ohI cannot control my feet when I feel the beat
Dancing all by myself
I cannot control the beat when you make me weak
Make me say, ohI got nothing but all that I need
So take my money, take my money
No, I got nothing but all I need
With music playing, people singing loudI got nothing, oh
I got nothing, come on
I got nothing, oh
Got nothing, yeahI cannot control my feet when I feel the beat
Dancing all by myself
I cannot control the beat when you make me weak
Make me say, ohI cannot control my feet when I feel the beat
Dancing all by myself
I cannot control the beat when you make me weak
Make me say, ohThat's what I wanna hear
That's what I wanna hear
That's what I wanna hear
That's what I wanna hearI cannot control my feet when I feel the beat
Dancing all by myself
I cannot control the beat when you make me weak
Make me say, ohI cannot control my feet when I feel the beat
Dancing all by myself
I cannot control the beat when you make me weak
Make me say, ohSelf, self
