

# It's All Been a Dream

## The Searchers

I knew there'd come a day  
When we would have to say  
Our ways must part  
It's all been a dream  
It's been a dream  
Right from the start

There'd be a change of heart  
I'd watch those teardrops start  
We'd kiss and say  
It's all been a dream  
It's been a dream  
Right from the start

For a while  
Did you cry  
And was your heart filled with pain?  
Or did you smile and find a place in your heart  
Where our love remains? Woh-oh oh-oh-oh

Now I know that I was wrong  
I want you back where you belong  
Let's forget the past  
It's all been a dream  
It's been a dream  
Right from the start

For a while  
Did you cry  
And was your heart filled with pain?  
Or did you smile and find a place in your heart  
Where our love remains? Woh-oh oh-oh-oh

Now I know that I was wrong  
I want you back where you belong  
Let's forget the past  
It's all been a dream  
It's been a dream  
Right from the start
