

# I've Changed

## Missy 'misdemeanor' Elliott

Yes I've changed again, baby  
Changed, changed  
Changed, the games that I used to play  
Play, leavin' when I stay  
Woo, ohh, ohh, baby  
I've changed, I said that I've changed  
I said, "I've changed the games, ain't the same  
They ain't the same"  
I've changed, the pressure wasn't greatener  
On the other side  
Yeah, yeah, yeah, yeah  
Aight, aight, aight mo chill  
(Cause I know I've changed)  
Yo mo  
(I know I've changed, baby I swear I'm changed  
Yo mo chill  
(Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah)  
Yo chill, you singin' like you  
You singin' like you in church raisin' money  
(I've changed)  
For some choir rows or somethin'  
(I've changed, I've changed)  
You changed? I'm bout to change to a new track  
(Ohh)
