

# Dance Floor (Extended Version)

**Jermaine Stewart**

(Dance)

(Dance)Dance floor

Dance floorI was took you into go  
And you're the type that moves too slow  
Get on up and follow next to me  
To the beat, anything you see  
Upside down or on your knees  
The choice is yours  
And versatile, baby  
Choose the place, go anywhere  
Lollipop or Fred Astaire  
Give me room  
I need some space to move  
If you get a bit confused  
And have nothing else to do  
Jermaine will tell you what to do  
Choose your ownDance floor  
Dance floorYeah  
Ah, yeah  
Uh-huhIf you find a perfect place  
On the roof on subway train  
The choice is yours  
Create a holiday  
DJ play something right  
Scratch my feet and mix my mind  
It's time to go all the way tonight  
Hurry up, make up your mind  
All until the early light  
Never stop  
I found a place to be  
Streak on earth has got to be  
Well, get a blast on every street  
Don't predact if you feel it's like you  
Choose your ownDance floor  
Dance floorDance floor  
Dance floorDance floor  
Dance, dance, dance  
Dance, dance, dance  
Dance floorA roller side in too keep fit

Another way to move your hip

Cancel down

I've got so far to go

No closet to be locked in

The word is out

Don't tell your friends

It's time for the celebration

Choose your own Dance floor

Dance floor Dance floor

Dance floor Dance floor

Dance floor Dance floor

Dance floor Dance floor
