

Let Me Know

J Boog

I sing ... and J Boog
We love all ya
Yeah
Are things ruff, baby girl me can't think straight
Clear my head, no pause, we wanno delay
I need a love to come show me the way
I love a certain girl ... me baby
No jus' keepin' my love stallin'
Deep down inside you know my heart callin' for you, for you, for you
Uuh girl you are my everything to is ain't no girl
like you, make me wanna sing
You make me lose stride, cos' that's the vibe you bring With this ...
Tell, this woman is a blessing
Tell ya, had other relationchips breaking up breaking up
To much drama we've been takin up takin up
Woman, your lover just cant get enough, cant get enough
Lady You are the one I want you yeah
So let me know if it's good lovin' that you want
cause I got the lovin' that you need
And if ... baby girl if you are the one
then girl you are the one for me
So let me know if it's good lovin' that you want
cause I got the lovin' that you need
And if ... baby girl if you are the one for me
Then girl you are the one for me
Yeah yeah yeah yeah yeah
Nah nah nah nah yes
Yeah yeah yeah yeah yeah
Nah nah nah nah yes
Me never know they make the flowless body, rated 20
Makin' ... feel rich like ...
..., cause you sweet like honey
Shake it like a bottle of bacardi
She top of the crew, ...
Me not perfect so don't pay no mind
I don't have to rush, jus take my time
All you need to do is uuh
Girl you have the perfect style, the perfect ...
From this type ...

Girl I wanna make you mine to be by my side

Forever girl you will be mine

Baby take me as I am, you are my plan,

Now please try to understand

Give you everything I can, cos' Baby

I wanna be your man
