Down Deep Inside

Absynthe Minded

The cold of fall sends shivers down my spine,
I think about all I left behind one time in my life
I feel forever, whatever
You are my wonderful voyage

Your picture is a beautiful spot on my wall
I come gazing by from time to time
I haven't got the faintest idea
What I would do if you weren't around

Yeah it feels like I'm trapped
In my own scheme
A real-time adjust
The mistakes I made
The time of my life
My child-like brain
It ain't no match...
With the love down deep inside

I am standing in the supermarket line
I think about your beautiful smile
I loved to see you do that dance time after time
I hope one day you'll do it again

Yeah it feels like I'm trapped
In my own scheme
A real-time adjust
The mistakes I made
