A Million To One

The Manhattans

A million to one
That's what our folks think
About this love of ours
A million to one
They say that our love will fade
Like yesterdays flowers
They're betting everything
That our love won't survive
They're hoping in time
We'll forget each others lives
A million to one
They say we're too young
To know the meaning of love

A million to one
That they've forgotten the dream
That we're dreaming of
But we'll forgive them
Because we love them
After all that's said and done
Their one in a million, a million to one
But we'll forgive them
Because we love them
After all that's said and done
Their one in a million, a million to one
