

# A Million To One

## The Manhattans

A million to one  
That's what our folks think  
About this love of ours  
A million to one  
They say that our love will fade  
Like yesterdays flowers  
They're betting everything  
That our love won't survive  
They're hoping in time  
We'll forget each others lives  
A million to one  
They say we're too young  
To know the meaning of love

A million to one  
That they've forgotten the dream  
That we're dreaming of  
But we'll forgive them  
Because we love them  
After all that's said and done  
Their one in a million, a million to one  
But we'll forgive them  
Because we love them  
After all that's said and done  
Their one in a million, a million to one
