

Bedtime Story

Madonna

Today is the last day that I'm using words
They've gone out, lost their meaning
Don't function anymoreLet's, let's, let's get unconscious honey
Let's get unconscious honeyToday is the last day that I'm using words
They've gone out, lost their meaning
Don't function anymoreTraveling, leaving logic and reason
Traveling, to the arms of unconsciousness
Traveling, leaving logic and reason
Traveling, to the arms of unconsciousnessLet's get unconscious honey
Let's get unconscious
Let's get unconscious honey
Let's get unconsciousWords are useless, especially sentences
They don't stand for anything
How could they explain how I feelTraveling, traveling, I'm traveling
Traveling, traveling, leaving logic and reason
Traveling, traveling, I'm gonna relax
Traveling, traveling, in the arms of unconsciousnessLet's get unconscious honey
Let's get unconscious
Let's get unconscious honey
Let's get unconsciousAnd inside we're all still wet
Longing and yearning
How can I explain how I feel?Let's get unconscious honey
Let's get unconscious
Let's get unconscious honey
Let's get unconsciousTraveling, traveling
Traveling, traveling
Traveling, traveling
Traveling, traveling, in the arms of unconsciousnessAnd all that you've ever learned
Try to forget
I'll never explain again
