

Regular John (Live In Amsterdam)

Queens of the Stone Age

Who are you girl?
Who are you boy?
Bet I know what you're up to
Can I come along
Your home number's on the wall
I just had to call, had to
I'm not the only one
Who will run with a knife[Chorus]
Open up your eyes
Open up your room
Open up your arms One six two seven eight
Two six three seven eight nine
Where's your daddy now
I heard he ran away
Who are you girl?'Cause I'm so bored with myself
Anyway
Any time and any place
I'll just hang around[Chorus] One six two seven eight
Two six three seven eight nine[Chorus] Open up your eyes
Open up your room
Open up your arms
Open up your door
Open up your eyes
Open up your room
