Thoia thoia thoia thoia thoing thoing (uh)
Thoia thoia thoia thoia thoing thoing (it's Kells)
Thoia thoia thoia thoia thoing I had her singing

Thoia thoia thoia thoia thoing To who may need to know
That's her on da flo
Sliding down the pole
Wanted fo sho'
Both our hands wre up
Drinks were in the cup
She showed me some love
So we left the club Now we off in the Hummer V
She's so hot she's kissing on me
This is the girl of my fantasy
After the Remy we were doing the thing I had her singing
Thoia thoia thoia thoia thoing thoing
