Steamie Gregg

Blake Babies

Oh, you look so fine in your shaven head
Not a hairdo but a hat insteadYour shadow dances on that TV like no one did before
You never look into the camera at me
You're hiding something for sure
Ooh, Steamie Gregg, Steamie Gregg, Steamie GreggDo you dream about me like I think about you?
You know that we'll meet someday
You like me a lot and I'll move to your town
We'll live happily forever that way
Ooh, Steamie Gregg, Steamie Gregg, Steamie GreggLaugh a little and sing some more
Your sparkling eyes are only yours
