Flymore

I live my life
And I despise
Everything you told me
You see Im getting older
Beat me down
Shut your crown
Lets shut down the system
this life is just mineI will never win this game
(I dont want it all)
And I will never break these chainsI live my life
And I despise
Everything you told me
You see Im getting older
Beat me down
Shut your crown
Lets shut down the system
this life is just mineI will never let you slide
(I dont want it all)
And I don't wanna step aside(4)
Im looking inside you
Stay away from me
Sick and twisted
Searching for a safe place
Lonley, wasted
Shut the fuck up and cry
And Ill be strong to stabNo i can't kill
But i don't want it
Don't leave me
I wait and bleed
blame is my atonement
I'll die for my since
Don't leave meI will never win this game
(I dont want it all)
And I will never break these chains
I will never let you slide
(I dont want it all)
And I don't wanna step aside
(I dont want it all)
