

Putty in Your Hands

The Shirelles

You say hop and I hop
You say stop and I stop
You say jump and I jump
Anything you say, I'm like a hunk of clay
I'm just like putty, putty in your hands, uh huh, uh huh (putty putty putty putty)
I'm your slave to command (putty putty putty putty)
and I gladly obey (putty putty putty putty)
You say I'm like a hunk of clay
I'm just like putty, putty in your hands, uh huh, uh huh (Repeat x2):
You come straight a girl I've known before
You cut me down to the size of a rubber ball
You can use me, lose me, but never refuse me
Without your love I ain't nothin' at all, wo oh
They say I'm a fool (putty putty putty putty)
Cause you treat me so cruel (putty putty putty putty)
But I'll go on this way (putty putty putty putty)
Without you, babe, I'm like a hunk of clay (repeat and fade):
I'm just like putty, putty in your hands, uh huh, uh huh
