2 Souls on Fire (feat. Quavo)

Bebe Rexha

Desire, two souls on fire

Desire, two souls on fireYou got me out here looking foolish

Look like a dog I'm drooling

Close your mouth boy and just prove it

And you know just the way to do it

You gon' make me bring the bag girl believe me (Oh-yeah-yeah)

You gon' make me pop some tags, fashion season (Oh-yeah-yeah)

You gon' make me do this move to

stop you breathing (Oh-yeah-yeah-yeah)

If you lose some faith, I'll make you believe it

Got me feeling some type of way (Ooh-ooh-ooh)

Got a chain on my heart and it's spinning in diamondsDesire, two souls on fire

Make me feel some type of way

Desire, two souls on fire

Feel some type of way

Desire, two souls on fire

Make me feel some type of way

Desire, two souls on fireWe can go out to the islands on privates

We can drive the latest cars, no mileage

We can do whatever you like, just be quiet

If you don't break my heart, I'll let you inside itGot me feeling some type of way (Ooh-ooh-ooh)

Got a chain on my heart and it's spinning in diamonds

And that chain 'round your heart got me blinded

Desire, two souls on fire

Make me feel some type of way

Desire, two souls on fire

Feel some type of way

Desire, two souls on fire

Make me feel some type of way

Desire, two souls on fireI'll make you feel some type of way (Ooh-ooh-ooh)

Got a chain around my heart and it's spinning in diamonds

(Ooh-ooh-ooh)

And that chain 'round your heart got me blindedDesire, two souls on fire

Make me feel some type of way

Desire, two souls on fire

Feel some type of way

Desire, two souls on fire

Make me feel some type of way

Desire, two souls on fire

I'll make you feel some type of way Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
