## Attica Blues

Excursions through the inner mind's eye  
Now morning's sun is dawning  
Moon blue indigoBlueprint  
I spied the blueprintChildren run, come follow  
As swallows surf the skies  
Past tense of the intentBlueprint  
I spied the blueprint  
Blueprint  
I spied the blueprintBlueprint  
I spied the blueprintBasement contemplation  
Rotation forty five  
Archive excavation  
From vinyl's dusted grooveBlueprint  
I spied the blueprint  
Blueprint  
I spied the blueprint
