

# Kamikaze

## Five Iron Frenzy

Album: Cheeses Of Nazareth (2003)

i'm going in (1,2,3 and go)  
like a kamikaze (like geronimo)  
a leap of faith (and i finally feel alive)  
3, 2, 1 i'm going ini don't know if it's just me  
but it seems that things aren't changing  
every day is pretty much the same  
with a little rearranging  
if i do nothing i can't fail  
no blistered hands, no broken nails  
killing time, i'm paralyzed  
with faded dreams and hollow eyes  
i've been waiting for a revelation  
for a moment of clarity  
conflicts and convolutions  
ricochet inside of me  
there comes a time for throwing caution to the wind  
i feel the pulse again i'm going in (1, 2, 3 say when)  
like a flaming arrow (soaring in the wind)  
a leap of faith (and i finally feel alive)  
3, 2, 1 i'm going ini am so slow to commit  
i have wasted years on fences  
is is really true the shoes don't fit?  
is it only my defenses?  
what if i don't measure up,  
don't listen well, don't smile enough?  
alone and unknown up 'till now  
need to change direction somehow  
i've been open to persuasion  
wanting someone to take the lead  
it's alittle disconcerting  
signing up for eternity  
there comes a time for throwing caution to the wind  
and so my life begins
