True Zero

Cancer Bats

Need to remind myself who I really am!
Welcome the year I'm from
The reckless son of another gun
Counting back from 21
All alone
Tried my best to push my luck
Best mistake was I give it a buck
Counting back from 21
All aloneNo brother promising,
Too many broken mirrors
So they say
This is when I'll say
TRUE ZERO same time as today
Need to remind myself who I really am!
Take this from me
I'll meet you on the other side
Need to remind myself who I really am!
Take this from me
I'll meet you on the other sideCount seasons dead and gone
Dragged my path from what I was on
Counting back from 21
All alone
Each stronger they had sat
Dropped it down with a blade of an axe
Counting back from 21
All alone!
No brother promising,
Too many broken mirrors
So they say
This is when I'll say
TRUE ZERO same time as todayIt's all that figures
I'll make my way
This is when I'll say
TRUE ZERO same time as todayCan't take this
Pick up the crack of our name
For all reasons
Pick up the crack of our name
This is when I'll say
Millions miles away

This is when I'll say
TRUE ZERO same time as todayNeed to remind myself who I really am!
Take this from me
I'll meet you on the other side
Need to remind myself who I really am!
Take this from me
I'll meet you on the other side
