

# Flash X (Yoe Mase Remix)

## ATB

Shooting stars above the city lights  
Fill the space between you & I  
Falling deep into the dark  
For one moment we forgot  
Who we are And now I look up to the sky  
For shooting stars above the city lights  
But empty spaces in the dark  
Filled with nothing, but our tiny spark! Don't let it fade,  
Winter breaks  
In the morning light  
Hold onto the night  
Don't let it fade,  
Winter breaks  
In the morning light  
Hold onto the night  
Oh-oh, ooh ooh  
Yeah ye-yeah  
Hold onto the night  
Oh-oh, ooh ooh  
Yeah ye-yeah  
Hold onto the night  
Oh-oh, ooh ooh  
Yeah ye-yeah Shooting stars above the city lights  
Fill the space between you & I  
Falling deep into the dark  
For one moment we forgot  
Who we are  
And now I look up to the sky  
For shooting stars above the city lights  
Hold onto the night  
But empty spaces in the dark  
Don't let it fade  
Winter breaks  
Filled with nothing, but our tiny spark! Hold on to the night  
Oh-oh, ooh ooh  
Hold on to the night  
Oh-oh, ooh ooh  
Yeah ye-yeah  
Hold onto the night

Oh-oh, ooh ooh  
Yeah ye-yeah  
Hold onto the night  
Oh-oh, ooh ooh  
Yeah ye-yeah  
Hold onto the night
