

# Galveston

Glen Campbell, Jimmy Webb

Galveston, oh Galveston  
I still hear your sea winds blowing  
I still see her dark eyes glowing  
She was 21  
When I left GalvestonGalveston, oh Galveston  
I still hear your sea waves crashing  
While I watch the cannons flashing  
I clean my gun  
And dream of GalvestonI still see her standing by the water  
Standing there looking out to sea  
And is she waiting there for me?  
On the beach where we used to runGalveston, oh Galveston  
I am so afraid of dying  
Before I dry the tears she's crying  
Before I watch your sea birds flying in the sun  
At Galveston, at Galveston
