

To Think I Used To Love You (Dj Homicide Remix)

Uncle Kracker

You made me laugh some
You made me cry some too
You sent me off to a world of pain
You made me someone new
You made all kinds of promises
But only some came true
Now I now you need me
More than I need you To think I used to love you
For reasons I don't know
You polished up my halo
And I dirtied up your soul
I sure had a good time
But we both know I can't stay
To think I used to love you
But, I'm leaving anyway You know I'm not perfect
I tried to make you see
Somehow you thought of everything
But you didn't think of me
Lies and disappointment makes your world go round
It's too late to save me
So you might as well come down To think I used to love you
For reasons I don't know
You polished up my halo
And I dirtied up your soul
I sure had a good time
But, we both know I can't stay
To think I used to love you
But, I'm leaving anyway To think I used to love you
For reasons I don't know
You polished up my halo
And I dirtied up your soul
I sure had a good time
But, we both know I can't stay
To think I used to love you
But, I'm leaving anyway To think I used to love you
But, I'm leaving anyway
