

Better

Hoobastank

Just when I thought that I was better
I realized that I don't know what better was
Is it Better than I used to be?
Better for you or for me?
I'd better hurry 'cause I need a better view of things
I don't know what it is or what I might be coming down with Don't know where I've been, don't know where to
go
Can't remember all the things that I need to know
All I know is that if I think about it
I'd still rather be me than me be you And I'm not getting any better
'Cause every time I can't remember what it's for
Is it Better now than yesterday?
Better that I am this way?
Better not be so afraid, I bet I shouldn't say
'Cause I don't know what it is or what I might be coming down with Don't know where I've been, don't know
where to go
Can't remember all the things that I need to know
All I know is that if I think about it
I'd still rather be me than me be you
I'd still rather be me than me be you 'Cause I don't know what it is or what I might be coming down with
I don't know what it is or what I might be coming down with Don't know where I've been, don't know where to
go
Can't remember all the things that I need to know
All I know is that if I think about it
I'd still rather be me than me be you
I'd still rather be me than me be you
Me be you
