

# Buddha For Mary

## 30 Seconds To Mars

A simple fear to wash you away  
An open mind canceled it today  
A silent song that's in your words  
A different taste that's in your mind  
This is the life on Mars  
This is the life on Mars  
Mary was a different girl  
Had a thing for astronauts  
Mary was the type of girl  
She always liked to play a lot  
Mary was a holy girl  
[Incomprehensible] Mary was the type of girl  
She always liked to fall apart  
Tell me did you see her face  
Tell me did you smell her taste  
Tell me what's the difference  
Don't they all just look the same inside?  
Buddha for Mary here in church  
Mary was an acrobat but still she couldn't seem to breathe  
Mary was becoming everything she didn't want to be  
Mary would hallucinate and see the sky upon the wall  
Mary was the type of girl she always liked to fly  
Tell me did you see her face  
Tell me did you smell her taste  
Tell me what's the difference  
Don't they all just look the same inside?  
Buddha for Mary here in church  
Buddha for Mary here in church  
This is the life on Mars  
This is the life on Mars  
This is the life on Mars  
This is the life  
He said, "Can you hear me, are you sleeping?"  
She said, "Will you rape me now?"  
He said, "Leave the politics to mad men"  
She said, "I believe your lies"  
He said, "There's a paradise beneath me"  
She said, "Am I supposed to bleed?"  
He said, "You better pray to Jesus"

She said, "I don't believe in God"  
Mary was a different girl  
Had a thing for astronauts  
Mary was the type of girl  
She always liked to play a lot  
Mary was a holy girl  
[Incomprehensible] Mary was the type of girl  
She always liked to fall apart  
Buddha for Mary here in church  
Buddha for Mary here in church  
Buddha for Mary here in church  
Here in church
