

Sky Fell Over Me

Shiny Toy Guns

Hey, down there, smile
Don't worry, for me
'Cuz I'm okay
You cared
No more tears
'Cuz I'm far from lonely
I'm far away
You cared
Please don't think the world
Has taken the best of you or me

I know the love that's in your eyes
Was there, when the sky fell over me
Leave me here
Now I'm with the angels
And don't you say
"It's not fair"
I can't help but say
That I love you, that I love you
I'm not around, but
