

We Win

Eddie James

The thief cometh not
But to steal, kill, and destroy
But we win
He comes to steal your victory
He comes to steal your joy
But we win
Satan roars like a lion
Seeking whom he may devour
But I know the One who's greater
I know the one who has all power
For Jehovah our warrior is fighting for us
We win
For Jehovah our warrior is fighting for us
We win
Now your body may be sick
And you're hurting deep inside
But we win
Someone's words have left you wounded
And there's tears in your eyes
But we win
The accuser of the brethren tries to haunt you with your past
But I know who holds my future
He's the first and He's the last
For Jehovah our warrior is fighting for us
We win
For Jehovah our warrior is fighting for us
We win
He is my victory
He is my strength
He is my warrior
He is my defense
We win
He is our victory
He is our strength
He is our warrior
He is our defense
We win
We win, we win
In the name of Jesus
(In the name of Jesus we win)
We win, oh yeah
In the name of Jesus
(In the name of Jesus we win)
Over addiction and perversion
In the name of Jesus

(In the name of Jesus we win)Over fear and depression
In the name of Jesus
(In the name of Jesus we win)Over anxiety and rejection
In the name of Jesus
(In the name of Jesus we win)Bitterness, unforgiveness
In the name of Jesus
(In the name of Jesus we win)Over jealousy and envy
In the name of Jesus
(In the name of Jesus we win)Over gossip and backbiting
In the name of Jesus
(In the name of Jesus we win)He is the King of Glory
In the name of Jesus
(In the name of Jesus we win)The Lord strong and mighty
In the name of Jesus
(In the name of Jesus we win)Lord of Hosts, breaking power
In the name of Jesus
(In the name of Jesus we win)Trampled my enemies under His feet
In the name of Jesus
(In the name of Jesus we win)We win in the name of Jesus
If God be for us
Who can be against us
We have our victory in the name of JesusEyes like fire
In the name of Jesus
(In the name of Jesus we win)Hair like wool
In the name of Jesus
(In the name of Jesus we win)Feet like brass
In the name of Jesus
(In the name of Jesus we win)Strike down my enemies
In the name of Jesus
(In the name of Jesus we win)And yokes are destroyed
In the name of Jesus
(In the name of Jesus we win)Shackles are loosed
In the name of Jesus
(In the name of Jesus we win)And prisons are opened
In the name of Jesus
(In the name of Jesus we win)And bondage is broken
In the name of Jesus
(In the name of Jesus we win)Nailed to the cross, crucified
In the name of Jesus
(In the name of Jesus we win)He who was dead is now alive
In the name of Jesus
(In the name of Jesus we win)He took Satan and made an open shame
In the name of Jesus
(In the name of Jesus we win)Jesus has a name that's above every other name
(In the name of Jesus we win)We have our victory in the name of Jesus

In the name of Jesus we win

In the name of Jesus

We have victory

We have victory

In the name of Jesus
