Truth (XKore Remix)

Tristam

The truth, is running in our blood
The answers are lying here withinThe truth, is running in our blood
The answers are lying here withinThere is no secret
There is no mystery untold
The love in each of us
Is all we really need to knowI'll break away (break away)
I'll break away (break away)
I'll break away from the chains from the poleI'll break away (break away)
I'll break away (break away)
I'll break away from the chains from the poleThe truth, is running in our blood
The answers are lying here within
