

Give

Dishwalla

I have felt the comfort
Now what did I do to disappoint you?
Idle my emptiness
And it keeps returning to remind me That I want to remain
A child with you forever
And hear as you lay before me
You tease me and tell me to stay
But what would you give
What would you give I have given everything I could
But I don't think it really matters
Maybe nothing does
And how it keeps returning to remind me That I want to remain
A child with you forever
And hear as you lay before me
You tease me and tell me to stay
What would you give?
What would you give?
