Another You (Daniel Gidlund Acoustic Version)

Nause

I don't mind, if you wont be around
I'm no longer broken, wish you could see me now
You know i don't mind, if you wont be around
Cause i've already started dreaming on my own again
And i try so hard to forget you
Somehow i know i will never have enough
And i try so hard not to see you
So now there is only one thing left to do
I've got to find another you
I've got to find another you
I've got to find
I've got to find
I've got to find another you
I've got to find another you
And i try so hard
And i try so hard
And i try so hard to forget you
