

# She Is Beautiful

Andrew W.K.

I never knew girls existed like you  
But now that I do, I'd really like to get to know you  
The girl's too young, she don't need any better  
It's all coming back, I can feel it  
The girl's too young, she don't know any better  
It's all coming back, I can feel it  
She is beautiful, she is beautiful  
She is beautiful, she is beautiful  
The girl is beautiful  
You're giving me rules and hints from all sides  
And when you hit my back, you melt my eyes  
The girl's too young, she don't need any better  
It's all coming back, I can feel it  
The girl's too young, she don't know any better  
It's all coming back, I can feel it  
And though I never know you I look at your face  
To tell you that I love you don't know what to say  
Give everything I got to the beautiful girl  
The only thing I live for in the whole wide world  
She is beautiful, she is beautiful  
She is beautiful, she is beautiful  
The girl is beautiful  
I ain't got nothing to lose  
(Nothing to lose)  
Going to throw it away and talk to you  
(She looks good)  
She looks good  
(And it's true)  
And it's true  
The girl is beautiful  
She is beautiful  
I ain't got nothing to lose  
(Nothing to lose)  
When I'm living one time and I want you  
(She looks good)  
She looks good  
(And it's true)  
And it's true  
The girl is beautiful  
She is beautiful  
She is beautiful, she is beautiful  
Na na na na na na na na  
She is beautiful, she is beautiful  
Na na na na na na na na  
She is beautiful, she is beautiful  
Na na na na na na na na  
She is beautiful, she is beautiful  
Na na na na na na na na  
I ain't got nothing to lose  
(Nothing to lose)

Going to throw it away and talk to you  
(She looks good)  
She looks good  
(And it's true)  
And it's true  
The girl is beautiful  
She is beautiful I ain't got nothing to lose  
(Nothing to lose)  
And I'll never forget when I saw you  
(She looks good)  
She looks good  
(And it's true)  
And it's true  
The girl is beautiful  
She is beautiful
