Goodbye Heartbreak (Phil Bodger Mix)

Lighthouse Family

Don't be blind
In all the fated life.
Something great is happening in your life
But all the noise
Is drowning out your voice.
No wonder you've been feeling down
From time to time.
You know that you'll survive
The day you realize
You can't stop day from turning into night
Hey you know you're gonna live
To find another day
It's just today things ain't so good.
Get yourself back again
You've got so much love
That you can't afford to lose
Goodbye heartbreak
Heartbreak
Don't look for me
Cause I don't need you now.
So long heartache
Heartache
Don't look for me
Cause I don't need you now.
I don't need you now
I don't need you now
I don't need you now
Hey
I don't need you now
I don't need you now
I don't need you now
Hey.
Do you remember as a girl,
You had a picture of the world
And you'd think about the great things you would find?
The thing is nine to five
And a struggle to survive
Ain't exactly what you had in mind.
But that's the beauty of life,

It takes a while to find,
And you can't have things your own way all the time
Hey, you know you're gonna live
To find another day,
It's just today things ain't so good.
Get yourself back again,
You've got so much love
That you can't afford to lose
Goodbye heartbreak
Heartbreak
Don't look for me
Cause I don't need you now.
So long heartache
Heartache
Don't look for me
Cause I don't need you now.
I don't need you now
I don't need you now
I don't need you now
Hey
I don't need you now
I don't need you now
I don't need you now
Hey.
Goodbye heartbreak
Heartbreak
Don't look for me
Cause I don't need you now.
So long heartache
Heartache
Don't look for me
Cause I don't need you now.
I don't need you now
I don't need you now
