

# To Hell With The Devil

Stryper

Well, speak of the devil,  
He's no friend of mine,  
To turn from him is what we've got in mind. Just a liar and a thief,  
The word tells us so,  
We like to let him know where he can go. [Chorus]  
To hell with the Devil,  
To hell with the Devil. When things are going wrong,  
You know who to blame,  
He will always live up to his name. He's never been the answer,  
There's a better way,  
We are here to rock you and to say... [Repeat Chorus]
