

# I Believe In You

## Barbara Dickson

I believe in you  
I believe in you  
You got me needing  
Got me bleeding  
I believe in you You were on my mind  
Morning, noon and night  
Wanna see you  
Wanna touch you  
You are on my mind  
When I'm going  
You're creeping into my thoughts at night  
What a heavenly sight  
When I'm waking up  
There's nothing at all that I wouldn't do  
To get back to you  
Back to you I won't let you down  
No, I won't ever let you down  
No one's touched me  
Like you touched me  
I won't let you down You got me needing  
Got me bleeding  
I believe in you  
I believe in you (and I won't let you down)  
I believe in you (I won't ever, ever let you down)  
I believe in you REPEAT TO FADE
