Milo Greene

Your house that sits behind me
Is covered in ivy greenThe windows that we watch from
Are old and chipping at the beamIt takes me away
Takes me away
Takes me awayIt takes me away
Takes me away
Takes me awayThe scent you wear moves in lines
From your apartment into mineYou act like you don't know me
My god, you tempt my anxious mindAnd it takes me away
Takes me away
Takes me awayIt takes me away
Takes me away
Takes me awayWould it be much better if I knew, nothing about you
Would it be much better if I knew, nothing about youWould it be much better if I knew, nothing about you
Would it be much better if I knew, nothing about youI'll go, I'll go, I'll go I
I'll go, I'll go, I'll go II'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
I'll go, I'll go, I'll go I
