Hey Little Girl

Icehouse

When everything goes wrong, sometimes
It makes no sense, there once was a time
I should have known better then although
You may try, it won't come your way againHey little girl, where will you hide?
Who can you run to now?
Hey little girl, where will you go?
Who can you turn to now?So why should I care if somebody let you down
That's nothing new, I know just what that can mean
Well, the way that they talk, the talk is all over town
And it's no surprise, little girls hurt sometimesHey, little girlWhen everything goes wrong, sometimes it makes
No sense, hey, little girl, should have known betterHey little girl, where will you hide?
Who can you run to now?
Hey little girl, where will you go?
Who can you turn to now?
